All-in-one outdoor ESS solution with 40kWh LiFePO4 battery and 20kW hybrid inverter, ideal for C& I, microgrid, and grid-side applications. Supports solar charging, EMS control, and remote monitoring.

Available in both 100kWh and 215kWh capacities, this modular system integrates power modules, batteries, cooling, fire protection, and environment monitoring in a compact outdoor cabinet.

Microgrids using solar energy and LFP battery storage are an effective solution for rural or remote areas. These systems store solar power in LFP batteries for use during the night or cloudy days.

Its features include high protection, intelligent BMS/EMS system, diverse input and output interfaces, and modular expansion capabilities. It is suitable for long-term stable operation in complex outdoor ...

With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Our outdoor cabinets are ...

The outdoor photovoltaic energy cabinet can provide reliable housing for network servers, edge computers, professional equipment, monitoring systems, photovoltaic, and battery systems.

With fully modularized configuration and easy deployment, these cabinets connect flexible sources of energy, redefine energy distribution architecture, seamlessly integrate clean energy.

Perfect solution for remote, indigenous, and isolated communities as well as disadvantaged community microgrid and nanogrid projects. Drop-in, pre-packaged and easy to implement at low cost with ...

Product Features: Standardized structure design, menu-type function configuration, photovoltaic charging module, a parallel off-grid switching module, power frequency transformer, and other ...

40kWh Microgrid Outdoor Cabinet for Environmental Protection Project

Ranging from 208kWh to 418kWh, each BESS cabinet features liquid cooling for precise temperature control, integrated fire protection, modular BMS architecture, and long-lifespan lithium iron phosphate ...
