What is the Belt & Road portal?

The Belt and Road Portal is the official website for Belt and Road Initiative(BRI). It interprets key concepts about BRI and releases latest BRI-related information.

What is Belt & Road Initiative?

Accessed 30 December 2025. Belt and Road Initiative, a Chinese-led infrastructure investment project aimed at improving connectivity, trade, and communication across Eurasia, Latin America, and Africa. Among the infrastructure projects it has supported are airports, ports, power plants, bridges, railways, roads, and telecommunications networks.

Who is Belt & Road EPC Capital Limited (BRC)?

The Fund's General Partner, Belt and Road EPC Capital Limited ("BRC"), operates as the asset management firm of the Fund and under Responsible Officers ("RO") holding licenses No. 1, 4, 6, and 9 from the Securities and Futures Commission of Hong Kong (SFC).

Why is EPC used in Bri infrastructure projects?

EPC has been adopted in the delivery of BRI infrastructure projects in other countries. Compared to the domestic method of contract, EPC remains at a low level in management practice, such as a lack of coordinating diverse project stakeholders, high cost of information communication, and risk in complex environments in West Asia (WA).
