Huijue Group's commercial and industrial energy storage system adopts an integrated design concept, integrating the battery, battery management system BMS, energy management system EMS, ...

Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy expansion for C& I applications.

Patented outdoor cabinet protection design, optimized heat dissipation air duct, protection against sand, dust and rain; The front and rear sides are open for maintenance, which is convenient for the layout ...

Outdoor ODM BESS Energy Storage System Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy ... ?

With the patented technology of virtual synchronous machine features, it can realize the function of multiple remote free parallels without communication lines and off-grid switching;

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

Within our manufacturing facility, we specialize in the research and production of battery energy storage systems, offering OEM and ODM services alongside our standard product line.

The HighJoule 100KWh Outdoor Cabinet Series supports RS485, CAN, Ethernet, and Modbus protocols for real-time data transmission. The integrated EMS platform allows for remote monitoring and ...

* Visual operation monitoring industrial screen. * Supports multi-channel communication such as 485, CAN, Ethernet, etc.* Temperature and voltage measurement. *Detection of electric shock status of ...

European Communication Cabinet 100kWh ODM

The 100 kWh outdoor energy storage cabinet adopts an integrated design concept, integrating the battery, battery management system BMS, energy management system EMS, modular inverter PCS, ...
