Should you buy a portable power station at Home Depot?

You should really have a portable power station or solar generator in your home. You don't need a prepper to want to keep your devices powered when the grid goes down. Right now, Home Depot has deep discounts on dozens of models from the most popular brands like Jackery, Anker, and Bluetti. Is it the most fun purchase ever? Probably not.

Should you buy a solar generator for your home?

You get free energy from the sun along with a clean and quiet operation with zero emissions. Solar generators also have a longer lifespan than other generators since they have no moving parts. Wondering about the possibility of having a solar generator for homes? Since power is stored in batteries for later use, it's safe to bring them inside.

Does Lowe's sell solar generators?

Many units can also be charged from alternating current (AC) household current to be ready for future use. Lowe's carries top brands, like NATURE'S GENERATOR, Goal Zero, BLUETTI solar generators and Jackery power stations. Shop Lowe's online or in store to find the best solar generator for your outdoor activities or storm prep.
