Do you carry IP55 enclosures?

We carry IP55 enclosures that demonstrate almost complete protection from particles and a good level of protection against water. All of our enclosures rigidly adhere to the guidelines, so you can count on outstanding and cost-effective enclosures. Refer to the chart below for the IP55 standard protection specifications and ratings:

What is an IP55 rated outdoor enclosure?

IP55, IP65 or NEMA rated Outdoor enclosures for wall or pole mounting, made of High-quality mild steel, aluminum or stainless steel, can connect and protect your critical assets in virtually any environment.

What does the second digit mean in an IP55 enclosure?

The second digit indicates the extent of protection against water. We carry IP55 enclosures that demonstrate almost complete protection from particles and a good level of protection against water. All of our enclosures rigidly adhere to the guidelines, so you can count on outstanding and cost-effective enclosures.

Who makes NEMA rated IP55 enclosures?

Nema Enclosures manufactures quality custom and standard NEMA-rated IP55 enclosures. Contact us today to learn how we can expedite a custom enclosure and produce cost-effective standard NEMA-rated enclosures to protect your equipment. Questions?

An IP55 enclosure is often considered close to a NEMA Type 3 or 12 enclosure, depending on the application. Both NEMA 3 and 12 provide dust protection and resistance to water, similar to IP55.

Compare IP55, IP65, and IP66 to choose the right Outdoor Electrical Enclosure. Find the best Electrical Enclosure for dust and water protection outdoors.
