What are Lyon industrial modular storage systems?

Lyon industrial modular storage systems include overhead cabinets and shelf cabinets. They allow you can create storage for large and bulky items. The overhead cabinets easily attach to the top of your floor cabinets. You can match your shelf cabinet height to your other cabinets for a streamline storage system.

Are industrial modular cabinets safe for firearms?

With a few upgrades,our industrial modular cabinets become secure storage for firearms. These cabinets come with external lock bars on both sides to keep the units safe and secure. You can get either foam inserts for pistols or partitions for rifles. Add a hardwood top for a place to do cleaning and repair work on your guns.

How to divide industrial modular cabinets into small compartments?

You can use layout kitsto divide the industrial modular cabinets' drawers into many small compartments. Neat and organized storage improves efficiency. We created these kits to easily subdivide your modular drawers. Lyon also offers dividers and partitions so you can create your own layouts to meet your needs.

When should you use industrial modular mobile cabinets?

Use our industrial modular mobile cabinets when you need tools and parts on the move. The handle helps you easily steer the cabinet around your facility. The 6 inch wheels hold up to 2,800 lbs so you know it can hold what you need it too. Workbenches are also available when a large work area is needed.
