How I can create and throw a new exception in PowerShell? I want to do different things for a specific error.

Comprehensive guide to renewable energy storage technologies, costs, benefits, and applications. Compare battery, mechanical, and thermal storage systems for 2025.

Has anyone here ever used C++'s `&quot;placement new&quot;`? If so, what for? It looks to me like it would only be useful on memory-mapped hardware.

From iron-air batteries to molten salt storage, a new wave of energy storage innovation is unlocking long-duration, low-cost resilience for tomorrow's grid.

In 2025, capacity growth from battery storage could set a record as we expect 18.2 GW of utility-scale battery storage to be added to the grid. U.S. battery storage already achieved record growth in 2024 ...

SHANGHAI, June 21 (Xinhua) -- U.S. carmaker Tesla on Friday inked a deal with Chinese partners to build a grid-side energy storage station in Shanghai using its Megapack energy-storage batteries.

Modern day visitors to this question should note that newer C++ standards define new methods of dynamic allocation that are more memory-safe than new and bare pointers. If this ...

A new expression is the whole phrase that begins with new. So what do you call just the `&quot;new&quot;` part of it? If it's wrong to call that the new operator, then we should not call `&quot;sizeof&quot;`; the sizeof ...

Note I previously suggested blank instead of `_blank` because, if used, it'll open a new tab and then use the same tab if the link is clicked again. However, this is only because, as GolezTrol ...

In early June, Greentown Company, a subsidiary of Lin-gang Group, announced the construction of Shanghai's first large-scale industrial and commercial solar-plus-storage microgrid ...
