How do I get a price quote for outdoor kitchen cabinets?

For a price quote, try Werver Outdoor's FREE outdoor kitchen cabinet design service. For a ballpark price, click through these real Werver outdoor kitchen cabinet projects.

What is a rated IP54 enclosure?

Enclosures rated with IP54 are protected against limited dust ingress, and from water spray from any direction. Limited dust ingress means that most dust cannot enter the enclosure, but a small quantity of it can. However, the dust that does get through is not nearly enough to disrupt the work of the electrical components of the enclosure.

Can a custom enclosure meet the IP54 standard?

If you are looking for a custom enclosure that meets the IP54 standard, our professional designing and development team can help you a lot. Metal finishes can be customized including aluminum alloys, stainless steel, galvanized steel, and carbon steel, to meet your application requirements.

How much do outdoor kitchen cabinets cost?

Werver has built thousands and thousands of custom outdoor kitchens, with prices ranging from \$3,800 to over \$33,000 for the cabinets. These projects were all custom designed to fit each client's exact needs. Werver is not limited to designs using pre-cast or mass-produced one-size-fits-all cabinets.
