Who makes the best server racks in Australia?

As a leader in Australia's top-quality, long-lasting server racks, CERTECH offers custom-built and designed racks and cabinets in various heights and widths to fit any purpose. CERTECH caters to your comms data center server rack and data cabinets, Department of Education (DOE) solutions, home network racks, and server cabinets.

What types of server racks are available?

Server racks and data cabinets, including floor-standing and free-standing server cabinets, open frames and racks, wall-mount network racks, and outdoor freestanding and wall-mount cabinets, are available to keep your networking and communication equipment secure and protected in a CERTECH network rack.

Where can I buy a server rack & cabinet?

4Cabling's range of floor standing and wall mount server racks & cabinets offer unprecedented value for money and quality. We stock server racks and server cabinets to suit every installation scenario, whether it is a small freestanding or wall hung server rack to a full-blown state-of-the-art sophisticated server room.

How do I choose a server rack in Australia?

Once you've decided on the perfect server rack for your needs, be sure to find a reputable seller who can provide quality customer service and support. Australian sellers of server racks typically offer a wide range of products, so you should have no trouble finding what you're looking for.
