Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems -- all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust -- so your installs are faster, easier, and more profitable.

Why should you choose a solar system in Wellington?

Our range of solar systems offers the perfect balance of savings, sustainability, and resilience. Perfect for Wellington homeowners who want to stay connected to the grid while enjoying significant savings on energy bills. Ideal for those seeking energy independence and backup power during outages, while still maintaining a grid connection.
