How to divide industrial modular cabinets into small compartments?

You can use layout kits to divide the industrial modular cabinets' drawers into many small compartments. Neat and organized storage improves efficiency. We created these kits to easily subdivide your modular drawers. Lyon also offers dividers and partitions so you can create your own layouts to meet your needs.

Who is matrix cabinets?

Matrix Cabinets, a wholesale distributor of high-quality cabinets, opened its doors in 2007. We have a team that has solidified our position as one of the premier cabinet companies in the southeast. Based in Baxley, Georgia, Matrix Cabinets boasts a 300,000 square foot facility where they keep a constant supply of inventory.

How much weight can a modular cabinet hold?

Built with reinforced steel frames and powder-coated finishes, these modular cabinets hold up to 400 lbs per drawer and are designed for daily use in harsh industrial environments. Each drawer extends fully, allowing easy access to every item--even those stored in the back.

Are industrial modular cabinets safe for firearms?

With a few upgrades, our industrial modular cabinets become secure storage for firearms. These cabinets come with external lock bars on both sides to keep the units safe and secure. You can get either foam inserts for pistols or partitions for rifles. Add a hardwood top for a place to do cleaning and repair work on your guns.
